Note In the North east corner of this County of Rice I found the Cabins of 5 homestead settlers four of whom I found at work at Bunker hill Station in Russell County on the Rail road when I Enumerated them, but they will return to their homesteads in the Month of September (as I was informed) and would have been glad to have been Enumerated as residents of Rice County. Further south on the East side of Rice County I found Mr Theodore Stamberg building a Stone house and had up a large Stone Corrall for the protection of his stock from Indians, but as it was extremly Dangerous for him to stay there unprotected, he spends most of his time at his father's in family No 40 in Ellsworth County where I have him Enumerated, therefore his name is not entered on this sheet as one of the inhabitants of Rice County
